**Sound you'll feel.  
From speakers you'll never see.**

Control with a  
**Touch,  
Glide &  
Click!**

Presenting the  
**Bose VideoWave™ II Entertainment System**

The only LED television that combines vivid high-definition picture with a complete Bose home theatre system built inside.

The innovative Bose Click Pad Remote makes it easy to enjoy almost any entertainment source with a simple touch, glide and click. So your eyes never have to leave the screen.

Before you buy another television,  
*experience the Bose VideoWave II*

Available in 140 cm(55) and 117 cm(46) screen sizes

\*iPod is not a part of the product.
